What a great lady!! Super close family friend. I would sit at the kitchen table with my grandma Dottie and Jackie wondering how they could drink hot coffee all day every day. Especially when it was 106 degrees outside. Jackie, you will be missed. Prayers to your family

My Aunt Jackie was truly one of the hardest working women I have ever known. She was devoted to caring for her family. She went through hard times with her head held high and always got through them with dignity. She was always willing to lend a helping hand to those who needed her. She will be missed greatly but I know she is with the Lord and her family that has gone on before her. Absolutely loved and respected this sweet lady. Love you Aunt Jackie, Tonia Greenlees

I have always known Alta Mae as "Jackie". I spent many hours with the Kelly family. I remember Jackie always being nice, compassionate and considerate to everyone. Jackie was always on the "go". She was a hard worker and could make the most delicious pies and rolls, overall, a good cook! Jackie knew everyone. She worked with and for many people in Wynnewood and Elmore City. I'll always remember her and the Love she shared with family and friends. She will be missed by many. Sincere sympathy to her family.

So sorry to hear this news. I am a cousin (Leo Brawner's oldest daughter) and think I only met her as a child, since she lived so far away. I remember going to Donnie's funeral, but was very young. We haven't been able to keep up with all the cousins. She was 4 yrs older, and we resemble each other from the pictures. Definitely family! I wish I had known her better. Treasure your precious memories as they help you through your grief journey ❤️.
