

Karan Carroll

August 10, 1957 - January 11, 2021

Karan (Brown) Carroll was born on August 10, 1957 to Caroline Krebbs and Ezekiel Brown in Fillmore, Oklahoma. She journeyed home and entered into rest on Monday, January 11, 2021, in Ada, Oklahoma at the age of sixty-three. Karan graduated from Milburn High School in 1976. She attended Oscar Rose State College on a basketball scholarship where she played for the first women's basketball team. She was part of a long legacy of great women basketball players coached by Glen Moore and played in the Oklahoma State basketball championship tournament all four years of high school. She earned a certification as a Licensed Practical Nurse from the Southern Oklahoma Vo-Tech. Karan worked in home health as a Case Manager and a nurse most of her life until her retirement this past year. Karan married Dewayne Carroll on May 4, 1987 and has been married to the love of her life for the last thirty-three years. Karan has two daughters, Te'Ata and Tonya Loper, and one son, Trent Carroll, four granddaughters, MaCayla and Steavi Claire Purcell, Patience Green, Channa Greenwood, and two grandsons, Tripp and Brave Carroll. Karen's faith in Christ was strong and raising her family in church knowing the Lord was very important to her. Laying the foundation in having a relationship with the Lord was one of her life's missions, she was a member of the Ravia Church of God.

Karan's most proud title was her role as a "Grammy". Her life love was to spend time with her children and beautiful grandchildren, always supporting them in their interests and activities. She thought her grandchildren could literally do no wrong and was their biggest champion. She was the family matriarch and enjoyed big family gatherings, she was the designated cook preparing her famous Indian tacos and pashofa. She was very proud of being a full blood Chickasaw/Choctaw Indian and loved serving and caring for Indian people as a nurse.

Karan was sweet and quiet with a kind-hearted nature however she could be honest with her thoughts, when she spoke she was straight to the point and didn't beat around the bush. She could be really funny, unintentionally, with her dry sense of humor.
