“ There are so many memories that there just all so good you can't just go through them all to pick out the perfect one. She was an amazing person that loved everyone. She will be greatly missed by everyone. There is one thing can say she was good at and that was her cooking she ranked up there with my momma

“ When we were in middle school we used to always go to Liza's house in the morning on the walk to school. We would sit and talk and laugh! She was always so giving and funny and kind to us kids! Though I have not seen her in years, I have thought of her often. I send my love and deepest sympathy to the family.
