“ Dear friend,

You were my mentor, teacher and a good friend. We had shared so much of our work experiences at AA, especially, AFW, LAX, DFW, HDQ, and managers... Trillion of words are not enough to truly describe who you were, what the impacts you had on people who knew you. I can't praise you enough for your devotion to the IH career and to make the workplaces a safer and better work environment for many. My friend, you have just won the race to be up there before us. Please make sure that it will be a better and safer place for us all one day. YOU WILL BE MISSED!

“ May our Lord bless and comfort you and your family. Please accept my condolences for your loss of Roberta. She and I worked together at American Airlines as Industrial Hygienists, and she had a wonderful sense of humor that the Team always looked forward to in calls and meetings. She also was a wonderful OSHA 10 hour trainer, with funny; and yet very personal and touching safety experiences was sure to engage everyone and change behavior.

May God Bless you and your family as you remember these wonderful experiences that we had with her.

Sincerely,
Christine Brown

“ Roberta is without doubt the strongest woman I have ever known. I have watched from the side lines for 18 months her battle against this horrible cancer and she stayed positive to the very end. Amazing all she went through and never quit smiling and laughing with me and her other sister Lora when we visited her in her home as late as July 30th she was laughing with us.

Roberta my sister this poem is for you.

Don't stand by my grave and weep, for I am not there, I do not sleep, I am a thousand winds that blow, I am the diamonds that glint in the snow. I am the sunlight on ripened grain, I am the gentle autumn's rain. Don't stand by my grave and cry. I am not there. I did not die.

Love you,
Reba

“ I was fortunate to get to know Roberta from work I found her to be dedicated and committed to excellence. She was loved by many of her coworkers and I know speaking for all who known her, that we were blessed to have had her in our lives. Roberta was one of the rare individuals who always had a smile on her face, which made you want to smile as well.
I know with certainty that Roberta is in heaven with the Lord and I look forward to seeing her again in heaven. For as Jesus told His disciples:
“In my Father’s house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also.” (John 14:2-3)

My prayers go out to Roberta and her family as they mourn their loss.
