“ I drove past the funeral home today for the first time in months and noticed a name on the sign. I could not believe it. I came home and looked it up and sure enough. It is almost one so will not be able to attend. He was buying his house from us and was good about paying his payments and seemed to be hard working young man. Once when he was off work he wanted to take out his retirement to pay off the house. I told him he would need it some day. Maybe his daughter can use it for school. We are shocked.##imported-begin##Jeannie & Randy Fehr##imported-end##
