“ *I have so many fond memories of Aunt Alice. When ever she would come out to visit she would always spend sometime each day outside working in the yard. She said she had to get her hands in the dirt! My most treasured memory is the fact that you knew how much Jesus meant to her. She always let you know how much Jesus loved you and how much she loved you. Aunt Alice you will be missed. Thank you for the wonderful legacy you have left to our family! I love you! Now go and party with Jesus! I'll meet you there!###imported-begin##Crystal Surges###imported-end##*
