“ *Mama was always good to me even when her grandson , DeRon and I got a divorce she still treated me like family. One fond memory i have is her holding the ladder while papa climbed on the roof and worked. They were in their late 60s or early 70s at the time..She was always with papa.He was her life! They let us live in their motor home for a few weeks when we first married and mama would leave us meals and pies w little notes in the kitchen when we came home late. Everyone loved her chocolate pie.we will miss her alot...love to all, Wendy Morgan Call Gavit*
