“ *Dear James and Laura,
I, Linda, am a cousin of your Dad, and we live in Denver, Colorado. I, Linda, have been e-mailing and sharing pictures via snail mail and e-mail with your Dad for quite a long! In fact, in one of his recent e-mails, he was thinking of coming out here to visit once things settled down in his life, with the divorce and decision on the property, etc. We were really looking forward to that possibility and catching up with each other after so many years apart! He mentioned often how proud he was of his kids and how much he loved them! I'm hoping all the moments shared with him will help comfort and encourage you in the days ahead!
Again, I am so very sorry for your great loss and ours, too!*

Much love and God bless,

Glen and Linda Davis
