“ *I never got the chance to thank you for coming out to the hospital and seeing my dad while he was ill and also for praying for him and having prayers said for him at the church. I want to thank you for praying for him and coming out to visit him you will never be forgotten. I am saddened to hear of your passing as you touched our hearts in many ways. May god watch over you and your family and keep them in his watchful eye. Thank You!##imported-begin##Christy##imported-end##*
