“ *Amber and I were friends we went to Celebrate Recovery together  
she really loved arttending it always lifted her up !! We also worked  
together for a short time at Disco. We shared many laughs  
supported each other I guess you can say we came into each  
others life for a reason !! I do know she loved her children with all  
heart and it was so hard on her that she didn't have them . My hope  
and prayer is that her adorable little ones know that they where  
always on her mind and in her heart! I will miss my friend so very  
much !! Smile on Amber and run in the beautiful feilds of flowers !!  
Free and in peace .....❤️ Rebecca*
