“ I met Angie through my sister Hollie. They lived at the same house and worked together at Del Rogers Training center. Every time I visited my sister, Angie was always near by with her beautiful bright eyes arms out with a wonderful hug. She was truly a blessing every time had the pleasure of seeing her. I will miss her loving hugs and the sounds of her voice. Heaven is surely a brighter place with her beautiful bright soul in it. Love you Angie.

“ Angie was such a sweet soul. Growing up with Karen, Angie was always near by. What I remember most was how she would recognize me years later and come up and give me a hug. I was working at Value Giant/Payless and Angie was in the store. I can't remember who she was with but she came right up to me and said hi Robin and gave me a hug. I was so surprised that she recognized me after all the time that had passed. I definitely remembered Angie. ❤️
