“ Anita was beautiful person inside and out, she would pick my kids up and take them to church with her during VBS at Dolberg. Her father my Uncle Loyd was my neighbor for years. Can fondly remember my Aunt Willie and Anita when I was just a small child of five and in the hospital to have my tonsils removed Chris I believe had his done on the same day so my mom and them visited back and forth while caring for us. She never missed coming every single day when Tom was hospitalized I know I was there with Her and when he passed she had just left to go home. She was a good wife and mother.

I am sorry to hear of Anita's passing. I knew Anita during the time she was employed at the ASCS office. I was also an employee of the Department Of Agriculture and had the privilege of knowing her for many years. She was always a very pleasant and kind individual.

My great aunt Anita was always kind and gentle. She took me and my siblings on a walk through the park, let us sip the Sulphur springs, and we spotted our first armadillo. Praise God for women like her. She was a beautiful woman and lived a beautiful life. I can't wait to see her again. 🙏
