“ *Our condolences to the family of Ann. May God comfort you and give you peace through this sad time. Ann was the very best neighbor ever. We could always count on her for a wave and a friendly smile. She always had something good to say. Sometimes she would fix us cabbage or beans with jalapenos cooked in her own special way. They were the best! And her banana bread was delicious. We know by her testimony that she had a close walk with the Lord. And without a doubt, she is home with Jesus now. We count it a privilege to have known someone like Annie. And we will miss her greatly. But we will see her on the other side. God bless and keep you all in this difficult time.
