“ *My deepest condolences to the family of Mrs. Easterwood. I remember her from my childhood days at Willow Meadows Baptist Church. She has always stood out in my heart and mind as an inspiration of how a Christian should manifest the love of Christ. She was always smiling and loving, even when she wasn't feeling well. She was always buzzing about with that contagious smile and love that radiated from her being. I've never shared with anyone how much of an impact she had on me. Remember that song, "When you're happy and you know it"...you could see it in her beautiful face, the love of the Lord. I will forever love and remember her and am looking forward to seeing her again, one sweet day! Love eternal~ Mary Ellen*
