“ Archie was one of the greatest friends I had in combat in WWII. I'm thankful we were reunited years later and remained friends. He felt like a brother to me and he'll be missed. Mary and I send our love to Alice and the family. Houston Butler

Mr. Butler and Ms. Mary- Mom and Dad loved their visits with you both. We were planning a trip to see you next month but the Lord had other plans for our Father. Just know he thought of you both as Mom does so much. Wasn't a day went by were he would say " Wonder how Butler is doing?" Thank you for being a wonderful soldier beside my Father and a life long friend. Love from Mom and all us. Diane
