

Argie Marvin Butler

January 1, 1950 - September 11, 2022

Argie Marvin Butler, of Purcell, Oklahoma formally of Stratford, was born January 1, 1950 in Ada, Oklahoma to W.D. (Dub) Butler and Lessie Leon (Weast) Butler. He passed away at the age of 72 years 7 months and 20 days, in the arms of his daughter Dedra and her husband Greg that he called son at their home in Norman, Oklahoma happy and loved with joy from so many friends and family who came to see him. Argie grew up in Stratford and graduated from Stratford High School with the class of 1968. He married Cathy Stone in Stratford on October 11, 1969. They made their home here and raised their two children. He worked as a Production Manager for Uniroyal until retirement. He was a member of the Stratford First Baptist Church. He and Cathy moved to Purcell 10 years ago to be closer to family. After the loss of his wife Cathy, Argie enjoyed dinner with his sister Charlene and husband John everyday. He made a great group of friends in Purcell and they spent time at The Belle Star quite often. Respected and admired by all that knew him. But his most joy was his life with Cathy and pride in his 2 children who he always bragged about them graduating from the University of Oklahoma and having successful careers, also enjoyed fishing, collecting guns.

“ *Our condolences to Argie’s family. Even though we didn’t get to see him very often, we still enjoyed our conversations through Facebook, etc. He was a great person and we will miss him. Roy was one of his basketball coaches and always enjoyed sharing memories with him. So sorry we didn’t get to attend his services, but we were sure thinking about him! “ *My first real “grown up” date was with Argie. He invited me to a Stratford FFA banquet in the cafeteria of the school. My parents thought I was too young to date so I had to ride to the banquet with my Mom. However, Argie was allowed to drive me home and I was sweet on him for quite some time. 7th grade memories!*

“ My deepest condolences to Argie’s family. He was such a good man & friend to me. Argie’s support of Deidra & her science research projects helped the SHS science program so much. He did the same when Chad participated. Argie will be greatly missed by his family & friends. Much love to all.

“ I grew up with Argie. Our families were connected before we were born. Cleo , Argie and Charlene’s brother and my mom dated. When we were in high school Argie wrote a paper in English about who he would “most like to be like”. Mrs Riddle gave that paper to me because he had chosen me as the person he wanted to be like. Touched my heart. He got an A and I have had that tucked in my Bible ever since then. He will be missed.

“ I met Argie around the last week of July 1974 at Uniroyal. My maiden name is Butler so of course we connected. My dad's name was Melvin Archie Butler so of course we connected even more. We always laughed about being cousins. After working together and just seeing each other on floor we always visited and he had left tire building and went into the planning department sometime in the late 70's he talked me into putting my name in the hat for a planning job. I have known him Cathy and both Dedra and Chad all my working years. We have shared many stories life events and and tragedies over the years. He was an excellent co-worker and even a more important he was my bud. I am so sorry to lose you and so sorry these past 2 years have not allowed us the time or opportunity to visit. My prayers and thoughts are with Dedra and Chad and all of your family to have allowed me to be a special friend in your lives. I am sorry I cannot be there but am unable to travel due to surgery again just this past Thursday. I care so much for all of you. Always

Worked with Argie many years at the tire plant. He was a gifted planner and did a heck of a job in a tough situation. Glad to call him friend! Too many funerals these days. Sadly going to have to miss this one to attend funeral of Jim Dixon who was our daughters husbands father. Praying Gods peace for all Argie's family. Boomer Sooner!
