So sorry I didn't get to visit with you more. For our class being out of school 50 years in May there were Dean, Jane Austin, Mattie, Tommy, Jackie and you from my class. That was quite an honor to me. He was definitely ready for the homecoming. That song he sang at the funeral was recorded just about a month ago, such a good memory til the last. I was always his baby!! Thanks again to all my friends. Love Janet

“ Artie was my mother, Hazel Fields' cousin. I remember what a remarkable eulogy he gave my father, Alva Fields', memorial service. When my mother celebrated her 98th birthday, my son, recorded messages from those who attended her party. Artie gave a wonderful story about Mom, their childhood and their life growing up in Mill Creek. This recorded video is a treasure to our family. He had the most remarkable memory of anyone I ever knew. The Lord surely blessed him.

You know when you have something good and are proud of it you always like to tell people well I was real proud of my daddy and he always said everyone is so good to me and I said well your good to everyone. It says do unto others as you would have them do unto you. I was really blest and yes I already miss him but this is what he lived for to go to his heavenly home and there was no doubt where he went. Everyone at Aspire and the nursing home were so loving to him and I appreciate that. Thanks for all the love. Janet
