“ *I am so sorry for your loss. You don't know me, but I think I was the last person to speak to Barry on Sunday morning before he passed away. I tried to help him, but was not able to do so. I simply wanted to reach out to his family to see if I could be of any help as you process your loss. I am an educator and pastor in OKC and my cell number is (405)409-0407.*

*I am unable to attend on Saturday for the funeral due to an event with students, but if something changes, I may try to come for the service.*

*Please don't hesitate to reach out if I can help.*

*Chris*

“ Sending my Love and Prayers to your Family and Friends during this difficult time. May God wrap you in his arms and give you peace and comfort during this difficult time now and the days ahead. Berry was always kind to me , and like you , this is such a tragedy that we all wish could have been prevented . It is sad and heartbreaking enough to lose anyone we love and care about, but to lose Barry this way was so sad for his family the most. A life gone too soon. 🙏  
Now we all have to cling to God for our strength and with him is the only way for the peace and comfort we all need. My heart felt prayers for his Family the most at this difficult time. 🙏🙏🙏
