“ *Bertha Stewart was not only a patient and customer of my Pharmacy, she was a wonderful, beautiful lady who always had a smile on her face. If we did not, she left us with a zest of life and friend that was such a blessing. I will miss her so much, but know that I will see her again, in Heaven above. I loved her as not only a friend but as a family member of my own. She will be missed so much and God bless the Family.....##imported-begin##Mickey L. Morrow Pharmacist##imported-end##*

“ *Mrs stewart was one of my favorite neighbors growing up. She would always stop and talk to me, and she came to see me after the birth of my first child. She seemed to "adopt" all of the neighborhood children. She will be dearly missed!##imported-begin##Sara##imported-end##*
