“ *Hillis Family,
Betty Hillis was the salt of the earth kind of person. She always greeted me with that wonderful smile that she had and followed that up with kind words of encouragement. Losing a child and losing a husband are not easy loses to endure. I know that those were tough to bear for Betty but she never stopped being a kind lover of her Lord and others. Good moms are a great blessing from the Lord and I am so grateful that you guys had one to help guide your life. There is rejoicing and a wonderful reunion going on in heaven today.*

*In Christ
Bill L.*

P.S. I so wish that I could be there for her service but I have to attend another service scheduled at the same time. If I can ever be of any help please let me know.

“ *What a great lady and true friend. I enjoyed growing up with Terry, and that of course meant visiting frequently at the Hillis household. Betty would always laugh and shake her head at Terry and I, as we enjoyed pushing the boundaries a bit at times, especially with Dwain. I'm sure Sherri will understand, as we tested her patience a few times as well!*

Betty was always kind to me as child, very much the kind of person everyone should be.

I know that her entire family will miss her dearly, and I want to convey my deepest sympathy along with all of the Roberson Family. (Bob, Mary, Deb, Danny, and Tony).
