“ Willis I'm so sorry to read about the passing of Betty. She was one of a kind. She was always so upbeat and happy and always had a kind word about everyone. I loved this beautiful lady like she was my own mother and I was so blessed to be able to talk to her about anything. She was always very supportive and comforting. She helped me through the loss of my Mom, Dad, husband John and my sisters. Betty will be missed by many. You and your family are in my thoughts and prayers. Love you all.

“ Momma.... we will miss you so much. Don't know what life will be like without you. It will be one of the hardest things to accept, but knowing you are in a heavenly place with grandma, grandpa, and Aunt Lelah is very comforting. Knowing we will see you again is comforting, as well. I'll miss our texts and sending you funny posts. lol We will look after daddy for you and try to keep him in line as best we can. You be good up there.
