“ *I was saddened to find this notice of Suzie's death. We had been childhood friends when she lived in Colorado for some time. Suzie was extroverted, loved excitement, and there was never a dull moment when she was around. I had an opportunity to meet her son Paul once when she visited CO, when he was still young, before he preceeded his mother in death. I'd also had a chance to meet her daughter Heather when Heather was a baby, and again when Heather was in her teens. Suzie struggled with a few health issues the past few years, and sadly it seems she succumbed. Heather and family, my heartfelt condolences go out to you. God Bless,
