

## Billie Faye McGregor

May 3, 1958 - April 27, 2021

Billie Faye Moody McGregor, 62, passed away on April 27th, 2021 at Alliance Hospital in Durant. A victim of the COVID-19 pandemic, it took her life away too soon.

Billie was born May 3rd, 1958 in Farmersville, Texas to the late Billy and Evelyn Moody. She was born the middle of six children, two who have preceded her in death. Her two sisters, Gayle and husband Dan, and Beverly, along with her brother, Steve and wife Sherry, mourn for the loss of a vibrant woman who touched so many in her walk of life.

Throughout her life Billie was always a whirlwind. She grew up in Farmersville where she went to school collecting so many stories, she'd tell her friends and family of her youth. Stories she'd tell her children about a big bellied pig who would bring home pastries, and how she'd raised baby raccoons. Along with so many others that she passed down.

She later moved to Sherman, Texas where she lived most of her life. She joined the First Baptist Church in Sherman, where she devoted so many hours to the youth and God's love. Her favorite thing was coaching Upwards and teaching in Awana's on Wednesday nights. Billie worked at the Sherman Post Office as a custodian.

Billie loved to read her bible, praying for and with others, and spending time with family. She was always laughing and had a smile upon her face. She was a loving and caring mother, always looking out for her family and putting them first in her life. Billie would often do all she could for her family so they could have a better life.

Billie Faye Moody McGregor leaves behind to cherish her memory, her two children Scott and Brigette McGregor. Her nieces and nephews Carmen, Ceason, Shannon, Brock, Colton, and their children. So many friends, and more.

Billie lived a life full of lessons and God's plan to the fullest. To see her is to know her and Billie never met a stranger, only friends.

Funeral Services to honor and celebrate Billie's life will be held at 11:00 AM on Wednesday, May 5, 2020 at DeArman-Clark Funeral Home Chapel. Interment to follow at Condon Grove Cemetery in Milburn, Oklahoma.

“ *Billie Faye McGregor*

October 05, 2023 at 07:47 PM

“ *We have not attended church due to COVID for more than a year but knew Billie via contact in Sunday School, Awana's and UpWord BB. She was a remarkable lady in many ways. She invested her time and talents with gracious interest and good humor in spite of her home and work demands. It was our pleasure to be her friends. We pray that her family is bolstered by her Christian walk to know she is embraced now by the Jesus she served faithfully. May you feel Peace and Comfort as you mourn your loss. God, Blessings, Homer & Shirley Bullard*

“ *Billie and I have been friends since high school when she, in her words, "saved me from being a nerd and wallflower". I was even included in some of her families trips to Oklahoma to visit their extended family. We still wrote to each other, had many long (really long) phone conversations, reacing out to each other with celebrations and during bad times. We had even talked over this past winter of her coming up to visit after the pandemic. Billie had the biggest heart, sweetest smile and she would give you anything you needed if you were in a bad spot. Hugs to Scott and Brigitte, hugs to all the family.*

JC

“ I worked with Billie on the production line at Varo, Inc. in Garland, Texas when we were both so very young raising our children. Eventually, we worked in different Divisions and went our separate ways - I relocated to my hometown in Oklahoma and she to north Texas. We kept in touch through the years and shared pride in our children God and her children came first.. We always kept each other up to date through Christmas cards and letters. She, definitely, loved the children she coached and the children she taught. Her love of God was most apparent due to the kindness and goodness she always showed others. We who knew her were blessed in so many ways. I miss my dearest, precious friend. June Cole, Sapulpa, Oklahoma
