“ *We loved you and appreciated you more than you possibly knew Bill. Life is going to be a bit strange without you around. Mike enjoyed everyday he was able to spend with you. The two of you could always find a bunch of stuff to do or get into. I still remember when I first became a part of the LaFevers' clan, you Mike myself and probably Jason walking around our land and teaching us a lot about different trees by their bark, leaves, and fruit. Just a pleasant and fun memory from many. Rest in peace Bill, we love and miss you!*

“ *I am truly sorry for Bill's passing. He and I talked often when I was walking the pasture at mom's. I will, like many others, miss him greatly. I am sorry I could not attend the funeral.*
