“ Gail and Donna, I'm so sorry about your dad passing away. In many ways life will never be the same. But he certainly did an amazing job raising the two of you with the help of your amazing mom.

I hope you find peace knowing he is in a better place than any of us here.

Warm and fuzzy hugs to you and your sweet families.

“ Donna and Gail, I am sorry for the loss of your father. Donna, I knew Bob Seward only as the father of my jr. high friend (1964-65) but my memories include thinking he was a very nice man. It must have also impressed me that he was a butcher 😊 because on occasions when I am in Sulphur and drive by what used to be Jack's, I think of your dad. He left behind a long line of descendants who must be honored to have known him and to have shared a portion of their lives with him. Condolences to the family. God bless you all.
