“ Bobby William was one of my brothers. I come from a family of Warriors. My grandfather was in WWI, my father was in WWII and older brother was in Desert storm. And Bobby was in Afghanistan. Bobby loved his country and was proud to serve, he tried to get in before he was 18 yes old. Bobby came back home with lot of issues wrong with him. But we were blessed that he came home. He was a good brother always checking on if I needed anything. I'm going to miss his callings but I know where he is. And I know he is ok, he's with the Lord and mom, dad and sister.
