

Bobby Ray Daniel

September 20, 1952 - November 14, 2011

Bobby was born on September 20, 1952 in San Antonio, Texas to Marjorie Fay Sliger and Jerry Bob Daniel. After graduating from high school he earned an Associates in Science in Engineering from Murray State College. He had several different occupations through the years. Some of which were a trim carpenter, welder and crane operator.

Many things were important to Bobby but everyone knew "Mom" came first followed closely by the rest of his family.

There were few things that Bobby could not do. His sisters will always thank him for teaching them to change flats and be independent. One of his greatest accomplishments was building a 48 panhead motorcycle from the ground up. He loved fixing anything and riding motorcycles.

He was preceded in death by his father and grandparents.

Mr. Daniel is survived by a son, David Hairrell of Harrah, Oklahoma; a daughter, Stacy Epperson of Hampton, Virginia; his mother, Marjorie King of Milburn; sisters, Joy King of Oklahoma City, Donna Lynch of Sulphur, Janie King of Sulphur and Holly King of Mead; brothers Randy Daniel of Lubbock, Texas and Rodney Daniel of Denison, Texas; caregiver and special friend, Judy Rainbolt of Milburn and six grandchildren.

Bobby attended the Milburn Church of Christ.

“ *I was deeply saddened to hear when Bobby passed our brother Randy told me. I found his number back a few years ago...I called him once...and I talked to him for a few minutes. He really couldn't remember me very well. But he and I were never around each other...But he is my oldest brother and he will be missed. I wish I could've got to know him more...and to learn more about my dad.*
