“ *So sorry to hear about Aunt Bonnie passing. We didn't know until it was to late to make it over for the funeral. Cindy and I remember the girls bringing Aunt Bonnie to the pizza hut and meeting Patty and her kids for lunch on Sunday and letting us and our boys crash the party. I remember in my childhood Aunt Bonnie & Uncle Fed coming to Atoka to buy groceries or something and coming out to Mom & Dads house to visit. They never stayed very long and would usually just set in the vehicle and visit out the window. I run into a lot of people that ask me when they find out my last name if I am kind to Bonnie Wallis because they used to work with her at Blue Bell. They tell me she was the life of the party at work!!! The old pictures you guys posted on this page are great!!!  
Our Sympathies are with you, Lynn & Cindy Wallis*
