“ *Buddy was one of the kindest friends that I was ever blessed to know. He was always laughing and joking and when he broke out that smile, we all smiled. I am so sorry to learn that he passed away because people like him are few and our world needs more examples to follow like Buddy. I send my deepest sympathy to his entire family and I will add that whatever example he left, I hope all of his friends and family will remember with love and respect. God bless this wonderful man and I pray for peace for all of his family.*
