“ *Susan and Jordan, I'm so sorry for your loss. Hotshot loved you and all his family so much. He was a wonderful, giving person. He was one of the most loyal, best friends that Mike and our family had. He was a true friend with a heart of gold. He had a servant's heart, always willing to help. He will be greatly missed. Praying that God will give you comfort and peace during this sad time.*

“ We here at *CWI Digital Systems* are going to miss that smiling face. *Hotshot* was always fun to be around, always very helpful to us when we assisted with his fleet needs. A proud Okie, as am I, and we had a lot in common there in SE Oklahoma. Sooner fans, HS football fans, and a good local eatery was always fun to find too. Peace and comfort that the Good Lord provides to Susan and the rest of the family. RIP Hotshot.

“ HotShot was an amazing man, I have only known him since October 2019 but he made a huge impression on me about what kind of man he is. I loved how we argued over football and sent each other memes about it. His love for his sons, grandkids and Susan was apparent to anyone that knew him. He told me stories of things him and Susan and the kids did and you could see the love on his face. There is a huge hole in the Tribal Transit Department since he has been gone and we will never have another one like him or one even equal to him. Susan, I am so sorry for the loss of the man that loved you so much! Jordan, your dad was simply amazing and he loved you with all his heart! God bless you all and I am praying for you.
