“ *Sandra,*

I want to tell you how sorry I am that your mother is no longer with you. I sure am thinking of you and you are in my prayers.

Do you remember in Girl Scouts how I used to always want to tell her a long story. She would laugh and try to shut me up. That was my first thought of her this morning when I found out she had passed away.

She was always so sweet to me and I want you to know how much I thought of her and your daddy.

Love,
