“ *I miss my grandfather. I like it when I was able to see him on weekends. I remember when we were having all kinds of fun. like the time i learned how to cook. how to use a lawn mower. I could look up at the stars and say, granddad, I promised to keep my mom and brother safe. we loved you and we always will.*

“ *Charlie was a huge, albeit quiet, presence throughout the school years of the "Class of 74". He was a great football player. But, more than that, he was a handsome, polite and considerate young man. And he had a beautiful smile. I know he will be sorely missed.*

“ *Biggun, Shakeya, and Stella,
Your dad was a good guy, friendly, and always willing to help out. I remember Jack really thought he was being stopped one evening in Stratford, but it was Charlie, stopping him to just talk about softball, kids. You all take care of yourselves and know he will be watching over you and the kids. Your mom i'm sure was waiting with open arms and a smile.*

“ *I played football with Charlie (as many of us called him) at WHS. He was a great player and teammate. He played a sport that required a "mean streak" for success but he also had a very gentle spirit. It's been too many years since I've seen Charlie but this news deeply saddens me. My condolences to his family for your loss.*

David Campbell, WHS class of 74.
