“ Grandpa you are one of a kind. I remember the 1st time I spent the summer with you and Grandma. You made everything fun, I even remember the ticket you got on the trip. It was always an adventure. I am going to miss you. I've missed our trips to the lumbar yard and going to get breakfast. I hate coffee but I would always drink it with you. I have always loved watching you Love Grandma. I'm Grateful for you being my Grandpa.

“ My deepest sympathy goes out to his family. I did not know him personally, but I cared for him because he was part of my 'family tree.' I wish I had gotten to meet him, but I will someday. Prayers for all.

“ Daddy.....thank you for giving me so many wonderful memories that I will always have to reflect on back on from my childhood. Like riding in those ads trailer you made with Debbie and Linda, you coming to Gramma Adams' bedroom window to tell Linda and me we had a new baby sister named Debbie, our family trips to Silverton, Ouray, the Four Corners, Las Vegas, Laughlin, surprise road trips to OKC to see family and end up having instant jam sessions when everyone brought their instruments. I know you are finally at peace and sooooo very happy being with Mom once again. I love you Daddy, always.....

*Much Love, Many Hugs and Lots of kisses from all of us.....
