“ *My dearest Butch,*

I did not know that you had left this earth. I guess it explains the dream. You were my most trusted friend long...long ago. I know the angles are glad to see you and listen to your beautiful music. I will pray for Dodie and Michael and the rest of your family.

As you said one time "forever in my heart and always on my mind"

God Speed My Friend!

“ *It is with great sadness, hearing of Robert's passing.*

I was a friend, also, from long ago, in another time, another place. Also with his brother Dodie.

Robert was a truly charming and funny guy, back in the day.

RIP, and God be with the family and friends.
