“ To Mr. Lewis and Mrs. Angi, Bug was sent here to be a beacon of love and look at how many people she brought into your life. You have a support system that loves you so very much, and maybe that was her purpose. She is healed now and being embraced in God's arms as she watches over you until you meet her again one day. You two are by far the most devoted caregivers I have ever had the honor to know. You two hold an extremely special place in my heart and it is all thanks to that baby bug and her brief but SO INFLUENTIAL time on this earth. Her soul was too good for this place. She was called home as an act of mercy and love which is all she ever felt; your love for her. You are so special and so is Mrs. Angie. I am praying so hard for you two today on this unspeakably hard day.

“ *Bugg you are an angel. The first time I saw you, your Papa was taking you to the Doctor I had to pry you from him to change your diaper he loves yo so much and certainly not trusting of anyone to care for you other than him. You were so beautiful and just smiled for me. God put you on loan to brighten Papa and grandma's life. And you did giving their eye that special sparkle. Rest well Angel and know how much you're loved.*

*My condolences Lewis and Angi*
