“ I am so sorry to hear about "Baby"! I wasn't for sure if it was her! I attended Carter Seminary with her and her siblings! Then I would always run into her somewhere in Ada! We would always stop and say hi to one another! She always had a big smile on her face when she'd greet you! I will truly miss you Baby! You go and rest now!

“ Cheryl was the first person I met on my first day at Procurement in the Nation. Never forget how she helped me get settled in and just made me feel at home.
