“ *Chris, you were an awesome friend to so many people! You always had the biggest smile and always helped everyone with everything! We lost you way too soon. We know God must have needed you more in Heaven. We'll all have a great reunion up there one day. Until we meet again...love you!*

“ I love you my angel. You will always hold a place in my heart no one ever will. I think of you everyday you were my person. I miss our calls every morning just to say I love you the kiss on my forehead every morning before you left to work. I remember you would tell me all the time don't ever leave without saying I love you cause you never know what could happen and that's so true I wish I could just say it to you a 100 times more I love you. But one day I will see you again my angel.

“ Tina I am so sorry for your loss. Chris was a very sweet funny young man. Bridgette and I loved him so much. We met Chris when Bridgette started Chickasaw Nation Headstart and they went all the way through school together. On school outings Chris was usually always put in our group. John and I became very fond of Chris. Love you Chris B.

God we come to you with a heavy heart. We ask that you be with Chris's family during this time. Wrap your loving arms around them and hold them close. In Jesus name we pray. Amen

“ I remember years ago having lunch with Nicole and Chris, it was undeniable then the strong connection they had. It was just a simple lunch at Braums in Sulphur it the sparks were flying. It was so awesome being able to watch them fall in love and build the great life they built over the last 8 years. Praying for you Nicole, so many people love and adore both Chris and you . Love you Nicole.
