“ *I was shocked to hear about you and your family's loss. I have many good memories of Cliff. His smile lit up the room when he walked in wherever he was. He was a friend to so many people and will be missed. Cliff was definitely one of the good guys. This picture looks just like the Skipper I knew.*

“ *I worked the weekend shift with Cliff several years ago at the hospital. The weekend techs all really bonded and enjoyed working with one another. He was always so positive, I'll never forget his smile. He truly loved his family and traveling. I will be keeping his family in prayer.*

“ *Cliff Deakins touched many lives. I had the privilege of growing up in Wynnewood and got to spend time with him and his family. Cliff taught me so much over the years. Whether it was a story around the campfire or helping out with a home project, everything he said rang out with a rare wisdom not many possess. He will be missed.*
