“ *It's been almost 9 months since you left for Heaven, I miss you so much, it still hurts as the day you left this world. I know someday we will meet up again in Heaven, but I want you now! I know you miss me too, I've heard your voice telling so. Not one day goes by that I am thinking about you. There's been some changes, but I feel like you are agreeing on them. I miss all of our fun we had together, I can remember you telling me 'your going to miss this someday' and yes I miss it all very much. God is so good he knew to put us together and make a family! I miss you so much, love and hugs to you* ❤️❤️
