“ We are so sorry to hear about Cody. My memories of him are Markie and I always pestering him when we were little, and him picking on us right back when we were playing in the pool, riding go carts, or playing “library” in Mark & Tammys living room. Mark, Tammy, Markie & Jessica- I love you all.

“ To a very special young man, who was very special to me. Loved his blue eyes and cocky smile, like he knew that he was your special person. Will miss him. Aunt Mary

“ I only had the privilege of getting to know Cody at the one and only family reunion we had before my Great Grandma Ann Williams passed away. Spending time with everyone was a blast. This picture is of the boys that were at the reunion.
