“ *It's been 11 years almost, and even though I only got to know you for such a short time you left a everlasting imprint on my life Cody! I still remember our lunch room talks, and your pink button up that we all giggled about and what landed you the nickname the Pink Cowboy because you looked so handsome in it! I just got to thinking about you and figured I would look up your obituary since I never had a chance to say goodbye... Goodbye old friend, you'll never be forgotten!*
