“ *How very sad to hear about my sweet friend passing. Crystal. & her whole family were such blessings to me as I learned sign language & worked with the Deaf. She always had the most beautiful smile on her face & was always such a joy to be around. May God give the family strength & peace as you say good bye to a wonderful person.*

“ My parents were Burr Lea and Marchie Settles. They both have passed over. Your Mom and Dad were frequent visitors to my parents, here in Big Spring, Texas. It was always a good visit with them. I am sorry for your loss. The Lord said those who have died in me will never die. They all are alive on the other side. :) We shall miss them here. Until we cross over have faith.

“ *Our deepest sympathy Kathy and family. We were very fortunate to count Crystal and Gerald as our friends. Crystal was a very thoughtful person, always giving someone a gift when it was most unexpected.. I treasure her needle point owls that she made for us. Most of all the memories of old times, laughs and tears. She was a beautiful person inside and outside.. I can see her and Gerald reunited once again and dancing up there. Both had a life of love and living well.. To Crystal her family was always number one.. Much love and prayers ..Len & Wanda*
