“ I worked with Dale for several years at WalMart. Dale was quick to help with anything you needed whether you asked for it or not. ;) He brought my excessive cursing to my attention back in the 90's and I had no idea I had gotten that bad. Dale was one of the funniest people I had ever met and extremely talented at whatever he set out to get done, We caught many a shoplifter and pulled miles and miles of camera cable through stores in Kansas, Arkansas, Texas, and Oklahoma, I lost track of Dale about 10 years ago when I last spoke to him and tried looking for him in Cleveland several months ago with no success. I am so sorry for the family's loss and offer my most sincere condolences.

“ We so enjoyed Dale, his guitar playing and his contagious smile. Loved when he preached, always had a positive message. He will be greatly missed.

“ I can say one thing about him, when I worked at Blue River Healthcare the residents loved Buddies Band. I miss those times. My condolences to the family & friends.

“ I will always remember that glint in Dale's eyes and how quick he was with something funny to say. He was always so encouraging to me and I will always be grateful for the kind things he said to me. I also remember his wonderful hugs. He was so unique, so fun to be around, so faithful and so loving. I'm sure he's entertaining everyone in Heaven right now. Sending my love to the Bland family and remembering you all in my prayers.
