“ I want to share some wonderful stories with all truth. I was 15 years old. I worked to buy my first car. Then at 16 I drove it. A yellow Volkswagen bug. Downtown Byars I parked my car and would go out with Becky, Cindy and Monica. My daddy warned me not to park my car down there. He said somebody might steal it or touch it. I didn't listen and left it there. After having fun in Purcell with my friends I came back and my car was gone! I couldn't believe it because everyone knows my daddy so I knew no one would touch it. It was dark and my friends and I looked everywhere. After an hour and a half of looking I was giving up and gonna call daddy. Then I decided to look over by the tennis courts. And guess what? It was backed up between 2 trees where no one could see it. My good old Uncle Dale and Mark George carried it all the way over there. They got me good!! They drove up after I found it and said don't park your car like your daddy said so it won't get stolen. Listen to your daddy. I was rejoicing and crying at the same time but Dale was laughing so hard and got a big kick out of it. I have so many fond memories of my beloved Uncle Dale. Uncle Dale I love you!!!! Today I will be sharing more as my tears fall like rain as it is raining here right now....
