

Daniel Gonzales

March 9, 1956 - January 31, 2025

In loving memory of Daniel Gonzales.

It is with deep sorrow that we announce the passing of our beloved father, Daniel. He

was born March 9th, 1956 in Mason, Texas to Alice (Lopez) Gonzales and Joe T Gonzales and he

peacefully passed away January 31, 2025 in Sulphur, Oklahoma. He was more than just

our dad—he was our guiding light, our protector, and our greatest role model.

Daniel was a man of integrity, strength, and unwavering love. He built a life rooted in

hard work, kindness, and devotion to family and community. As the proud father of five

sons, he took his greatest joy in raising his children to be strong,

compassionate, and

honorable men. He led by example, teaching the value of honesty,

perseverance, and

putting others first.

Though our hearts are heavy with loss, we find comfort in knowing that his legacy lives

on in the lessons that he taught us, the strength he instilled in us, and the love he so

freely gave. We will carry his spirit forward in the way we live our lives, always

striving to
honor him.

He is survived by his mother, Alice; his wife of 45 years, Debbie; his sisters, Mary Ann, Eva, and Diana (the favorite); his brother, Bobby; his five sons, Justin, Erik, Jonathan, Matthew, and Michael; his cherished grandchildren; and a community forever changed by his kindness.

Visitation will be held Monday, February 3, 2025 from 4 p.m. - 7 p.m. in Crossway Church Chapel.

A celebration of his life will be held on February 4, 2025 at 11am at Crossway Church Sanctuary, where we will gather to honor the incredible man that he was.

Dad, you gave us everything we needed and more. We love you, we miss you, and we will carry you with us, always. Thank you for always being there for us.

Services are being held under the direction of DeArman Funeral Home of Sulphur, OK.

Debbie, you're a brave and strong person. I know that God has special plans for you and your family. Especially your grandkids. I know the importance grandparents are for kids. My grandmother was always there when for me when I needed her. God will guide you through this. God be with you.

“ *I met Daniel once. We visited for about an hour. My Grandson worked for Daniel in his shop in Sulphur. He taught our grandson many things about the automotive industry. We are forever grateful for his kindness.*

“ *This is not a memory of Daniel because regretfully, I never met or knew him. I have met his momma and I do know Mary Ann who is one of the dearest, sweetest people I know. The tribute to Daniel was not surprising and I am saddened to hear of your loss. What a great tribute to him and your family.*

I found your number on a note pad. I had ben trying to get in touch with you to see how you were donig. I'm sorry that I didn't get a chance to say good bye. You are still the best cousin I girl could ever have, even though we didn't see much of each other. You not only came from a great family, you also created one with the help of your wonderful mother who constantly prayed for all of you. Your mother raised you right.

My condolences to you Debbie and your family.
