“ I had the pleasure of knowing David when he was a pharmacist at the Absentee Shawnee Clinic. I will remember his friendliness and his compassion for the people he served. He personally offered me comfort and support when my mother was diagnosed with terminal cancer. He was willing to go out of his way to help with her medicines, before and after scheduled work hours. This truly touched my heart during an extremely difficult time. This just goes to show what a wonderful and caring man David was. It is people like him that make the world a better place. My prayers go out to all of David's family. We were blessed to have David touch our lives.
