He was my neighbor and he was truly a kind man. We are all going to miss him.

“ *It is sad when we lose one from our generation of first cousins! Diana, Donna, Pat and Brenda I was so surprised when Linda called to tell me about David! It has been many years since I saw him but I still have good memories of sharing time with you all in Indiana as we were making the move to Florida! Sending my love to all of you including David's and your families!!*
