“ *David was like a big brother. He loved his children and his wife. When David and Donna started dating my dad was all against it. Well if anyone knew my dad he felt that way about anyone who dated his daughter's. But dad softened and got used to the idea. Donna and David had been together for 38 years all together. I will miss you David. Oh and he actually had the nerves to teach me how to drive a standard. His head was never the same. Haha love Jane Hansen-Guinn*
