“ *I looked forward to seeing David and his classmates every Sunday morning. He and others challenged me to be a better teacher. David left a legacy behind him and It was truly an honor to call him my friend.*

“ *I have always enjoyed the time I spent with David. His honesty, humor and loyalty were pillars of his character. There is no question that my dad loved David, after all they had ridden the same horses, both under the watchful eye of their grandfather and through their service to our country in WW II. David's love of animals and the earth were compelling to all who knew him. We will all miss him but the memories will last. As his cousin, my dad would say, "See ya Cowboy".*
