“ *All I can say about David is the smile he had on his face, those big ole feet, and how he worked so hard all his life. David wore himself out. Hurt all the time, and all he did for everyone just to please them. He can Test now. God Bless his Soul. Brad and I help them pack up and when they moved to Ok. We knew we would miss them. But we went and saw them as much as we could. They were family. Gonna miss you David. Love and Hugs my friend..*
